Complete Massachusetts list of Approved Title 5 Inspectors:

<http://www.mass.gov/eea/agencies/massdep/water/wastewater/approved-soil-evaluators-and-system-inspectors.html>

**The Rockport Board of Health and its Agents do not promote
or endorse any particular septic system inspector.**

Please note that if you are selling your home and need a Title 5 Inspection,
it is very important to start the process as early as possible in order to afford ample
time for the review process as well as for any repairs that may need to be done
for the system to be in compliance.
